### Itinerary

**Hurghada Shopping Tour**

One of Cairo Top Tours' experienced representatives will be waiting for you at your hotel in Hurghada to transfer you in a private air-conditioned car and accompany you on one of the most enjoyable shopping excursions.

Begin your exploration of the city's center, stopping at The Church of the Virgin Mary is a third-century structure, but it is thought that there were previously other places of worship in the area where the building now stands. The old Assyrian Church of the Virgin Mary Foundation is the church's owner, and when it was restored, it was too crowded.

This journey offers an excellent chance to learn about the city's culture through its native goods, like handcrafted carpets, jewelry made of gold and silver, pharaonic relic replicas, and mementos that capture the true essence of Egypt. To obtain the greatest deals, tourists can also have a good time haggling in traditional marketplaces.

Finally, transfer back to the hotel in Hurghada after your Hurghada Shopping Tour.

With Cairo Top Tours, you can enjoy one of our optional excursions, such as safari and camping trips, climbing Hurghada's mountains, riding submarines, watching colorful coral reefs, playing with dolphins, watching seagulls, etc.
