Cairo

In the midst of Cairo, embark on an incredible adventure to locate the large museum situated beside the calm Fustat Lake. Known as “The National Museum of Egyptian Civilization,” this Egyptian museum is a notable landmark for culture, both internationally and for Arabs. Throughout this venture, you will see an impressive structure that incorporates elements from Egypt’s historical past alongside the present.

Every visitor in our guided tour will have a wonderful experience in the National Museum of Egyptian Civilization. One chamber in the museum deals with mummies while another deals with Egyptian textiles. It has an exceptional collection of artifacts that enables one to comprehend the history and culture of Egypt deeply. From prehistoric until the Ancient Egyptians, followed by the Greeks, Romans, Coptic Christians, and Muslims, you will witness the evolution of the era alongside Egyptian civilization.

Following your museum visit, you will embark on a popular Felucca boat trip on the Nile River. During this relaxing cruise, you have the chance to see some of the most famous landmarks in Cairo. Words can hardly explain how beautiful the city is from the water—its magnificent skyline, vibrant streets, and ancient landmarks.

Discover this blend of culture and rest during a half-day tour. Your trip is going to begin at the National Museum of Egyptian Civilization (NMEC) where you will get lost in the history of Egypt. Dive deep into the past with the captivating exhibits on display, such as the Royal Mummies Hall. After spending the day in the museum, you can relax with a slow ride on a Felucca boat on the Nile River. This soothing cruise allows you to appreciate the beautiful sights of Cairo.

Itinerary

Cairo Half-Day Trip to NMEC with Felucca Ride

In the morning, after having your delicious breakfast at your hotel, you will meet the representative who will be waiting for you in front of your hotel to take you in a private air-conditioned car for your half-day tour to the National Museum of Egyptian Civilization.

During your half-day tour you will first visit the National Museum of Egyptian Civilization, One of Egypt's most important institutions, it was the first museum of its kind in Egypt and the Arab world. It is an integrated international cultural complex that provides visitors with the chance to travel through time and discover more about Egypt's successive civilizations through 1,600 artifacts on display in its central hall. The hall is furnished with digital screens to improve public engagement and illuminate Egypt's material and intangible heritage. The Hall of Royal Mummies, which is regarded as the museum's crown gem, was moved from the Egyptian Museum in Tahrir and received on April 3, 2021, in a grand parade that was seen by everyone on the planet, in honor of His Excellency the President.

After that, you will enjoy an unforgettable adventure by traditional Felucca boat along the Nile, where you can see Cairo's amazing nightlife or bask in the warm sun all day long.

Finally, we will take you back to your hotel to relax and have a good time.
