Luxor east and west tours from Safaga port

The day starts with a pickup from Safaga Port; you will get into an air-conditioned vehicle here and start your journey to Luxor. Once you arrive there, your first stop is the West Bank of the Nile — full of histories and mythologies. You will go to the Valley of the Kings here, where a number of pharaohs were buried secretly in tombs carved deep into the cliffs. Close by is the great Temple of Hatshepsut, one of the few female pharaohs of Egypt. Also, visit the Colossi of Memnon, where the gigantic stone statues have been standing guard for centuries.

After the tour, have a relaxed lunch at a local restaurant, trying some of the traditional Egyptian cuisine. You now cross over the Nile to the East Bank, where some of Luxor's best-known monuments are located. The immense compound of Karnak Temple will impress you with its giant pillars and labyrinthine courtyards, before you proceed to Luxor Temple, where the ancient tales are written in stone and where the old magics of centuries past still hang in the air.

Once you have finished the discoveries of the day, and the day comes to an end, you will be taken back to Safaga Port, carrying with you the memories of a truly unforgettable experience with profound roots in Egypt's rich history.
