Sindbad Submarine Adventure from Safaga Port

Your exciting day starts with a comfortable transfer from Safaga Port by private air-conditioned vehicle. You will travel along the picturesque Red Sea Coast to Sindbad Submarine very early in Hurghada for your underwater activity.

From the harbor, you will board the transfer boat to the submarine platform. After your short safety briefing, you will get aboard the Sindbad Submarine-a fully air-conditioned vessel constructed for underwater viewing. The submarine will descend to 22 meters below the surface allowing passengers to have immense views of about 360 degrees toward the vibrant marine life and coral reefs.

During the 45-minute depress, colorful fish, rare corals, and the amazing biodiversity of the Red Sea will be your sights, and you'll see them without getting wet! The experience is suitable for all ages, making it great for families, couples, or solo travelers.

After surfacing, you will be taken by boat back to the marina, where a driver will wait for you and take you back to Safaga Port. On the way, if requested in advance, there is a possibility for a shopping stop.

The tour offers a very rare and unforgettable opportunity to see the underwater world of the Red Sea in a safe, comfortable, and truly one-of-a-kind way.
