On a Cairo Nile Cruise Lunch Trip, experience the magic of Cairo from an exceptional viewpoint. Your day starts with a transfer on one of Cairo's elegant cruise boats, where you board for a laid-back and scenic sail upon the world's longest river. The vistas of the city capture your heart and soul as beautiful historic landmarks, stunning modern architecture, and vibrant riverside life drift past you while cool breezes from the Nile caress your skin.

Enjoy an open buffet lunch that features an assortment of Egyptian and international cuisine, prepared freshly by master chefs. Combine luxury with palatable food to create the perfect ambiance for relaxation and enjoyment of Cairo's beauty from the water. Some of the cruises might provide live background music to enhance the charm of your meal.

After lunch, you could spend the rest of your time sunbathing or walking about the river, taking beautiful photographs of the scenic views surrounding you. Whether you are a couple wanting to enjoy a romantic time together or a family wanting to create special moments together, the Cairo Nile Cruise Lunch Trip is a wonderful escape from the bustling city. You will then be transferred back to your hotel feeling refreshed and enriched from this serene and unforgettable experience.

Itinerary

Cairo Nile Cruise Lunch trip

Your lovely Nile Cruise Lunch Trip begins the moment your professional tour leader picks you up at your accommodation in Cairo or Giza. You will be driven to the Nile edge where your boat of choice awaits. On board, enjoy the views of Cairo's astonishing sights with soaring palaces, landmark towers, lush green Zamalek, and the Rhoda Islands. The river is studded with colorful and traditional feluccas sailing the Nile, just adding that little dash of nostalgic charm to the vista. Enjoy the serene ambience complemented by the fusion of city hustle and bustle and a tranquil riverside experience.

During the sail, you'll have the privilege to savor a scrumptious 5-star lunch of some divine Egyptian and International dishes to set the ambience into ambiance with Western and Eastern music. The cruise allows for about two hours to eat, relax, and take stunning pictures of the Nile's vicinity. After landing, your tour leader will take you back to your hotel, concluding a charming four-hour tour that offers a unique blend of refreshing elegance with a delightful river experience of Cairo. The tour operates daily with cruises typically setting sail at 1 PM, making it a great midday escape on the famed Nile.
