Quad Biking and Glass-boat Adventure- experience the best of both desert and sea, all in one lifetime memory in Sharm el-Sheik. Start with an awe-inspiring quad bike ride across the golden sands of the Nubian Desert in Sinai, where you get the initial dose of adrenaline rush as you speed away through rugged terrain past mountainous ranges and wide-open plains, soaking in the raw beauty of the lush Egyptian landscape.

With such a varied range of terrain available for actual riding, your staff will guarantee you both decent safety and thrill in any segment, whether you are a newbie or quite the pro.

When you're tired of the desert, dive into the magnificent Red Sea without even wetting your feet. Continue aboard a glass-bottom boat cruising through crystal-clear waters. And underneath your feet, discover a world of colorful coral reefs, exotic fish, perhaps even a sea turtle or ray. So, there you are, relaxing-precisely the contrast from the morning excitement and a time.

You can admire marine life from above.

The combined mini-package gives you the maximum adventuring-from action to relaxation to eyes-pleasing natural beauty-all in one day in the ever so enviable Sharm el-Sheik. Perfect for couples, entire families, or solo travelers, this is the adventure that captures the spirit of the quintessential destination. Capture the magic with your camera, for each moment will be a memory in itself.

Itinerary

Glass boat and Quad bike Safari Sharm EL Sheikh Tour

Get your happy morning on the go as you have a banana boat ride along the pristine coast of Sharm el-Sheik. Bounce over the waves while the sea breeze caresses you, and the views of the shoreline are spectacular. The ride is pure joy, and the rush with its organization, family, or anyone wanting an exciting morning will only add splashes of laughter.

After that, it's time to chill out and explore the underwater beauty of the Red Sea on the glass boat tour while drifting across vibrant coral reefs and viewing exotic sea life through the viewing panels under your feet. Enjoy this peaceful cruise as a relaxation opportunity without letting go of the chance to explore the enchanting underwater world that puts Sharm el-Sheik at the top list for diving and snorkeling, and yet without getting wet.

Test your riding skills and prepare for an exhilarating quad bike safari through the expanse of the Sinai Desert by early afternoon. After a short safety briefing, zoom away on sandy trails and rocky paths, devouring more of the enchanting and rare desert scenery. There will also be lots of time to stop for photo opportunities, some spectacular views, and visit a traditional Bedouin camp for a taste of local culture. The full-day tour offers a perfect mix of high-energy fun, scenic beauty, and local experiences that make this one trip to remember.
