Take an amazing Semi Submarine Tour in Sharm El Sheikh. Get an unforgettable experience by exploring the deep sea while getting completely dry! Enjoy going down under the waves in an air-conditioned semi-submarine with huge panoramic windows for views of the gorgeous coral reefs and various forms of marine life. As a nature lover, a family with kids, or one who just enjoys looking at the ocean from dry settings, this tour provides a perfect opportunity to observe the sea's beauty quite closely.

Gliding on the semi-submarine in crystal clear water, you'll see exotic fish, colorful corals, and perhaps rare marine species through the enormous windows. Informative onboard guides will provide great insight into this ecosystem, truly enhancing your grasp of the great biodiversity within the Red Sea. It is an excellent alternative to snorkeling or dives, it is for everyone, it can be enjoyed fully in comfort and safety, and people of all ages can join.

Ideal for couples, families, or even solo travelers, the Sharm El Sheikh Semi Submarine Tour has the feel of easy and scenic adventure. The ride usually lasts for almost an hour and a half, letting one enjoy the magnificence and capture quite a few photographs. The trip is for either relaxing or for more pedagogic purposes, but in all cases, it promises a wonderful memory as well as magic with the sea's treasure.

Semi Submarine Trips in Sharm El Sheikh

Start your amazing semi-submarine adventure by being picked up conveniently from your hotel, Sharm El Sheikh. The most comfortable air-conditioned vehicle will take you to the marina from where you will board your semi-submarine. On your entry, the crew will welcome you and give you a short introduction to the tour to ensure total comfort and readiness before you set off for the adventure. This semi-submarine is equipped with big panoramic windows, allowing scenery views of stunning underwater life as soon as the tour begins.

As the vessel dives into deep waters, you are likely to get spellbound by the beauty of amazing marine life that excels in one of the coral reefs of the Red Sea. Normal vibrant corals, exotic fish, and rare sea creatures will all swim past in your viewing window giving you a close-up view of this magnificent underwater world. An onboard guide will inform visits about the ecosystem which would emphasize talking about unique species and the importance of coral conservation. Normally it lasts from about 45 minutes up to 1 hour and gives you a one-time opportunity of shooting good pictures while admiring the scenography.

After the semi-submarine experience, the boat will go back to the marina where you will relax enjoying the great sights of the coast of Sharm El Sheikh. If you booked other activities in your tour, usually you may be able to grab a short refreshment stop before returning to the hotel. Normally this will take around two to three hours of the trip, including transfers, and is ideal as a half-day trip for families, couples, and single travelers wanting to see this underwater heaven in the Red Sea easily without hassle.
