Tour to Cairo pyramids from Airport

A journey that takes you through time during [day tours from Cairo Airport](#) by visiting the most important and famous pyramids in Egypt and the world, the famous [pyramid of Meidum](#), the pyramid of Lahun, the pyramid of Saqqara famous for the [Step Pyramid](#), the [pyramids of Giza](#), and the Sphinx, which is one of the seven wonders of the world. Check out more [Egypt Day tours](#) to discover your favorite attractions in a short time. The Pyramid of Djoser or the Pyramid of Saqqara is an archaeological monument in the Saqqara necropolis northwest of the ancient city of Memphis, Egypt. It was built during the 27th century BC for the burial of Pharaoh Djoser; it was built for him by his vizier Imhotep. The engineer and physician Imhotep was the primary architect of the extensive funerary complex in the pyramid's courtyard and surrounding ceremonial structures.

As the tomb of Pharaoh Djoser, [The Step Pyramid](#) is a type of building that looks like a pyramid with flat platforms or steps going up. It is like stacking blocks on top of each other to make a pyramid shape. You can see the mosque and many other Muslim architectural wonders in Cairo by booking one of [Egypt's Classic tours](#), which include stays at the best hotels and Nile cruises. Day 2 : A Visit to Lahun and Medium Pyramids

Early in the morning of the next day, after breakfast, we will go to visit the most famous and strangest pyramid in terms of shape, the [Lahun Pyramid](#).

It was built on an already existing limestone mound as a foundation and core, 12 meters high to reduce the amount of work required to build it. The entrance to the pyramid led to a number of intricate passages that surrounded the burial chamber with a unique design to deceive thieves.

The king's sarcophagus was made of light red granite and was found in the burial chamber.

After discovering the pyramid of Lahun, we will also see the pyramid of Senusret II in Lahun, on a hill with a height of 13 meters of mud brick, which is the same as the pyramid of Amenemhat III in Howrah. The pyramid of Senusret is 48 meters high, like all the pyramids in this place. We will go to visit another pyramid called Meidum.

It is the first pyramid built in the ancient Egyptian Pharaonic era, and it takes the form of a square it is said that it was not completed, and it is the first real pyramid. After finishing, we will go to have lunch and then go again with the driver by car to [Cairo International Airport](#) again.
