[Itinerary](#)

Day Tour to Giza Pyramids From Taba Airport

We will pick you up from the Taba Airport in comfortable air-conditional cars and we will do the following

First, you will visit the three pyramids in Giza which contain The Giza pyramid complex consists of the Great Pyramid (also known as the Pyramid of Khufu or Cheops and constructed circa 2580 - 2560 BC), the much smaller Pyramid of Khafre located a few hundred meters to the southwest, and the relatively modest Pyramid of Menkaure a few miles away. hundreds of meters to the southwest. The Great Sphinx, it is located on the eastern side of the complex. Most Egyptologists today agree that the head of the Great Sphinx is the

head of King Khafre. In addition to these main monuments, there are a number of small monuments affiliated with them, known as the pyramids of the “queens”, bridges and pyramids of the valley see the great valley of Khafraa and take some photos beside the great sphinx.

Then, you will have an hour ride with the 4-wheeled quade bike It is designed to be driven on any type of terrain. Take it over desert dunes, mud paths in the mountains, on grass or even on asphalt streets. These vehicles are suitable for all terrains.

Eventually you will have an hour ride on Camel and we will take you back to Taba airport again.
