Day Trip to the Egyptian Museum of Civilization and quad Bike in Giza

Enjoy a private trip from your hotel in Giza or Cairo to explore the most important and largest antiquities museum in the world to date, which houses 50,000 artifacts, each with a different story and era, quad biking , and the best safari in Giza. Join our [Egypt tours](#) for a unique and unforgettable experience.

The [National Museum of Egyptian Civilization](#) is the first museum of its kind in Egypt and the Arab world. It is an integrated global cultural complex that offers visitors the opportunity to sail through history to learn about successive Egyptian civilizations. The idea for the museum began when the United Nations Educational, Scientific and Cultural Organization (UNESCO), at the request of the Egyptian government, announced an international campaign to establish [the Nubia Museum in Aswan](#) and the National Museum of Egyptian Civilization in Cairo in 1982. The foundation stone was laid in 2002 in the heart of Fustat, the first and oldest Islamic capital in Africa, after an Egyptian architect won an international architectural competition to design the museum
