The Necropolis of Giza which is the first place on your route will be reached via transportation. All there is to know about ancient Egypt will be taught to you.

[The Giza Pyramids](#), home to the Valley Temple, the [Great Sphinx](#), and the three Great Pyramids, will be the starting point of our [Egypt Easter Holidays](#). We'll then head to the Memphis area after that.

We'll have the opportunity to tour the modern Mit-Rahina hamlet there at Memphis' outdoor museum. The large tomb of Ramses II is among the antiquities and sarcophagi found at Mit-Rahina, the modern village that now occupies the site of [Memphis](#), as well as the Alabaster Sphinx of Memphis. You'll also get to check the [Sakkara pyramid](#). When we leave, we'll stop at a nearby restaurant for lunch.

Later, our tour guide will transport you back to your hotel overnight.

Day 3 : cairo to sinai

Beginning your Sinai tour with our Cairo representative is the perfect way to get your hiking started on an amazing adventure. Our representative will meet you at your lodging in Cairo, and before starting the trek, we will check into the eco-lodge el-Karm Bedouin camp after early-morning travel. Checking your luggage before starting your trek will give you a break after an hour of hiking.

Our first stop will be Wadi Al Fara. This walk features a challenging mountain approach and a fast descent. A 3-kilometer accessible off-road drive is also available.

The next stop on your journey is the desert region of eastern Egypt's Jabal Shayeb Al Banat mountain range. There are large volcanic rock slabs and several deep valleys on the mountain slopes, making it a great place to enjoy tourist activities like camping and hiking. Finally, you'll travel to Wadi el Nogra, which is known for its beautiful waterfalls.

at the end of the day, you will be transferred to El Karm, your eco-camp.

Day 4 : sinai day treks

After enjoying a cup of Bedouin tea and breakfast cooked on a campfire, you'll be transferred to the Wadi Thara. Follow the road ahead of you back to [St. Catharine's tour](#). Take the lower path, which leads directly into the Wadi Itlah through a small opening in the stone retaining wall. From this vantage point, you'll have a clear view of the thin curtain of water hanging from the rock face after a shower, whitening it and forming a V-shaped depression.

We take you to a Bedouin community and a sheik's cemetery in the beautiful [Sinai Mountains](#). It is a popular hiking location, with routes that connect St. Katherine and here providing a diversity of mountain scenery.

We suggest you rest and have lunch now.

We will return you to your tent now so you can rest and have lunch.

Day 5 : Sinai to Cairo

After breakfast at the camp, we will take you back to Cairo so you can check-in to a hotel and spend the night there.

Day 6: Egyptian Museum, Old Cairo

After leaving central Cairo, we'll stop at a nearby restaurant before exploring [Old Cairo](#). The Mamluk Mosque, the Madrasas of Sultan Hassan, and the Ibn Tulun Mosque, which was built more than a thousand years ago, are all great starting points for our research on Islam.

After that, you will be transferred to Coptic Cairo. The Roman stronghold built by Emperor Trajan, the Roman fortress of Babylon, is the first stop on your Cairo tour. It is located in the Coptic Quarter, and you can visit the [Hanging Church](#), which was built over the ruins of the fortification.
