[Itinerary](#)

Day 01: arrival in Cairo

Welcome To Egypt

Upon arriving at [Cairo International Airport](#), you will be greeted by an English-speaking representative who will assist you in any procedures and transport you to Cairo Pyramids hotel for the night to rest.

Day 02: Visit to Memphis Pyramid

We'll meet you in the lobby of your hotel in the morning and take you to your first destination on the second day. [The Memphis Pyramid](#), the Pyramid was originally around 52 meters high and had a base of approximately 78 meters. However, much of the pyramid has been eroded or destroyed over time, and today it stands at around 15 meters high.

Unlike the other major pyramids of Egypt, the Memphis Pyramid was not built using large, precisely-cut blocks of stone. Instead, it was constructed using mud bricks that were then covered in limestone. This is one reason why the pyramid has not survived as well as its counterparts at Giza and elsewhere in Egypt.

Day 03: The National Museum of Egyptian Civilization (NMEC)

After breakfast, our professional tour guide will meet you at your Cairo hotel and take you on a breathtaking tour to (NMEC),

The museum showcases a vast collection of artifacts, including sculptures, paintings, pottery, and jewelry, dating back to prehistoric times up to the present day. One of the museum's main attractions is the Royal Mummies Hall, which displays the mummies of several pharaohs and queens from the New Kingdom era, such as Ramses II and Hatshepsut.

[The NMEC](#) also features interactive exhibits, multimedia displays, and educational programs that allow visitors to learn about Egyptian history and culture in a dynamic and engaging way. It is also equipped with modern amenities, including a gift shop, a restaurant, and a conference center.

After that, you will be transferred from Cairo to Suez Canal in [the Ismailia government](#). Ismailia is a city in northeastern Egypt, located on the west bank of the Suez Canal, and has a population of around 360,000 people. The city is also home to the Suez Canal University and a number of cultural and historical landmarks.

You will visit in Ismailia [The Suez Canal](#) is an artificial sea-level waterway. It connects the Mediterranean Sea to the Red Sea and allows ships to travel between Europe and Asia without having to go around the southern tip of Africa. there you will see the impressive engineering that makes this waterway so important. you can get there a panoramic view of enormous Boats through the Suez Canal then you will have Sea Food Lunch after that, you will be transferred back to Cairo.
