Day1- Cairo: Egyptian Museum, Pyramids & Bazaar Tour

See the riches of ancient Egypt on an exclusive day excursion. You will be picked up from your hotel's lobby by your tour guide and taken to the Egyptian Museum, Sphinx, and Pyramids. Your first trip should be at [the Giza Pyramids](#), one of the Seven Wonders of the World. The Cheops, Chephren, and Mycinerus Pyramids provide stunning views. After that, take a break to pose for photos next to the magnificent Great Sphinx. You may freely and at your own expense journey to the Great Pyramid. The following action is to go to a neighbouring restaurant and try some Egyptian food. When you're finished, you'll go to [the Egyptian Museum](#). These vast displays contain more than 250,000 items spanning more than 5,000 years of history. Then, if you like, you are free to explore King Tutankhamun's gold- and jewel-adorned room on your own dime. The King's tomb housed these priceless artefacts for 3,500 years before they were discovered in 1920 during an excavation.

Last but not least, you'll be taken to [the Khan el-Khalili](#) Bazaar where you may experience the atmosphere of a neighbourhood market in a historic area. Discover the extensive assortment of locally produced jewellery, antiques, and souvenirs available for purchase as you stroll through this historic souk (market). After you've seen everything Egypt has to offer, take a journey back to your hotel to wrap off your adventure.

Day2- Desert and Bahariya Oasis Day Trip

We travelled in our van 340 kilometres from Cairo to [the Oasis Bahariya](#) in the early hours of the morning.

Bahariya is the nearest oasis to Cairo and is notable for having 398 mineral and sulphur springs, some of which reach temperatures of 45 degrees and are used for medicinal purposes. Black hills made of ferruginous quartzite and dolerite border Bahariya. arrive at the Oasis's mountaintop capital of [Bawiti](#). Your CAMP will provide lunch. After lunch, you'll set out towards the Black Desert, which is close to Bahariya Oasis. One of the reasons for the black rocks in the desert is iron.

After visiting Gabal el Marsos (Divided Mountain) on foot, you will take a vehicle to the small Bedouin community of El Hez. You will travel 160 km on/off road to [the White Desert](#), stopping at [Crystal Mountain](#) and Agabat el Sharkia, the El Santa tree. The White Desert is distinguished by its cream-coloured, chalky topography and wind-carved structures in the form of mushrooms that resemble both human and animal characteristics. Today, as we journey across the White Desert to our accommodation in the Bahariya Oasis

for dinner and a break before ending up the itinerary with a trip back to Cairo, you may take in the stunning desert sunset.

Day3- Cairo to Alexandria

At 7:00 am, you will be picked up from your place of lodging in Cairo or Giza to travel 220 kilometers to Alexandria. To start your daily journey, arrive in Alexandria around 10:00 and make a stop at the Roman Theater (A theatre with marble seats up to 800 spectators, galleries, a section of mosaic flooring & a pleasure garden surrounded by Roman Villas & baths).

You will next go to [Kom El-Catacomb, Shoqafa's](#) three-level burial, where you will also find the Tri-cilium, where previously family members would sit on stone benches to feast the departed. Inside are second-century Roman-era statues of Sobec and Anubis dressed in armor.

After that, take a free stroll through El Mursi Abu Elabas, [the Qaytbay Citadel](#), and [the Alexandria Library](#) along the Cornish.

At the conclusion of the expedition, you will be driven back to Cairo. At around 9:00 p.m., you'll be back in Cairo.

Lunch is offered between visits at a local restaurant, but beverages are not.

Day4- Final Departure

After breakfast, you check out of your Cairo hotel, and our tour guide picks you up to be driven to [the international Cairo airport](#).
