[Itinerary](#)

Day1- Cairo to the white desert

The pickup time At 7:00 am, your tour guide and driver will pick you up from your hotel in Cairo or Giza and transport you 350 kilometers to the east, to the Bahariya Oasis. This journey lasts around four hours. The [black desert](#), which is around 30 miles south of Bahariya and features a number of dunes with black tops, is where you'll be driving your 4x4 Jeep. Lunch is going to be served in this oasis close to El Haize. The [Valley](#)

[of Agabat](#) is situated deep within the White Desert; proceed there next.

You have to be there to fully appreciate the location's surreal splendor. Millions of years ago, the area was submerged in water. Over time, a unique collection of chalk-white stones has developed the look of the moon's surface. As quiet reigns and the sky transitions from pink to the deepest, brilliant orange, the rock forms disappear. You will eat chicken, rice, and veggies while sitting around a little fire and feel as though nothing has ever tasted so wonderful. It will be a unique experience to gaze at the sky from a camp in the [White Desert](#) at night.

Day 2- Bahariya Oasis tour

You will have breakfast in the desert before traveling to [Bahariya Oasis](#). On the way back, you'll make a stop at Crystal Mountain, also known locally as Gebel al-Izzaz. The hill's moniker, "the Jewel of the Desert," and its spectacular look when lighted by the sun are ascribed to the quartzite crystals that make up the hill, which can be seen on the right. That innate characteristic was stumbled upon a few decades ago. Bir Sigam is a hot spring that can help persons with rheumatism, soak in the heat there. Spend the night at your Bahariya hotel after returning there by car.

Day3 - Tour to Fayoum Oasis & Wadi Al Rian

After breakfast, our tour guide will pick you up from Bahariya hotel to [Fayoum](#) and take you in a private, air-conditioned car to [Lake Qarun](#) as you see the city transform into orchards and verdant fields. Learn about some of the stunning animals, such as flamingos, ibis, and black-necked grebes, who call this saltwater lake's edge home. View breathtaking examples of Fayoum's mummy portraits and cloth panel paintings with a strong Greco-Roman influence by visiting the local museum. Learn more about the local history and culture as you explore the museum with your tour guide. Also, don't miss the stunning collection of statues from neighboring ancient ruins.

Before visiting [Wadi El-Rayan](#) to see the artificial waterfalls in the middle of the desert, be aware that these waterfalls were created using extra agricultural water. Stop at a local restaurant for a noon meal served in the style of Egypt (in the odd event that the Wadi Rayan waterfalls are closed owing to unexpected reasons, a trip to the Fayoum water wheels will be taken). Then set off on a lovely journey on a felucca, a stylish gaff-rigged wooden sailing craft. To complete the day, transportation back to your accommodation in Cairo is provided.
