Wanderful Short Turkey getaway trip

During our sightseeing tours, our guests will enjoy the city of Athens that has so much to offer. These are personalized [Turkey Travel Packages](#) created just to tailor to your individual schedule so that you get the most out of it, but in a solitary setting. Now you have a choice of how fast you walk. Be it romantic cliff walks along the Bosphorus, wandering through the bazaar's labyrinthine paths and sampling exotic street foods, or simply taking in the city's impressive architecture, with our Istanbul Mini Stays you have an opportunity to bask in what was onetime capital of the world too. As a place that is a crossroads of multinational world powers and different cultures, Istanbul, is a unique city that literally connects two continents and has been occupied by two empires continuously - firstly the Christian and then the Islamic one.

It is special and truly beautiful in that it accepts any collection of fashionable restaurants, stylish pubs, typical Kahve (men's only coffee outlets) and avant-garde street markets while retaining its charm. Take a trip down the Bosphorus, that great spiritual artery, and see "azab-males" (Princes' Islands), as well as unique masterpieces, old mosques, palaces, and museums.
