Day 02 : Alexandria Day Tour from Cairo

Embark on your enchanting tour of Alexandria from Cairo with your personal tour guide and car driver awaiting you after breakfast.

Alexandria, established in 332 B.C. by the legendary leader Alexander the Great, once served as the capital of Egypt for nearly 1000 years until the Arab conquest in the 7th century. Even after this historic shift, Alexandria retained its status as the second most important city after Cairo.

Upon reaching Alexandria, your journey kicks off with a visit to the Catacombs of Kom El Shoqafa. Originally a private tomb for a wealthy Romanized Egyptian family, it later expanded to become a burial site for the common people of Alexandria. A short drive will then take you to the majestic Pompey's Pillar, the tallest standing pillar in Egypt. Erected by the people of Alexandria, it symbolizes gratitude to Roman

Emperor Diocletian for diverting a portion of the annual tribute of corn and grain from Egypt to Rome for the relief of its citizens.
