Day 2- Tour to Egypt's Pyramids

our expert Egyptologist tour guide will meet you at your hotel and take you on an adventure to explore the Great Pyramids of Giza. Start the day with a delicious oriental breakfast at your hotel before hopping into our modern, air-conditioned vehicle with a friendly driver.

The Great Pyramid of Khufu is an impressive sight to behold, and your Egyptologist guide is ready to take you through the entrance and provide you with a fascinating history lesson about this monumental structure. Spend some time exploring the site and learning about the impressive building techniques used by the pyramid builders of the Age of Pharaohs. Then, take a scenic detour to the Panorama Plateau and the Third Pyramid of [King Menkaure](#) for a breathtaking panoramic view of the entire Giza pyramid complex.

Next, discover the one-of-a-kind Sphinx, the keeper of secrets and guardian of the pyramids, who can reveal all the long-kept secrets. Don't miss the adjacent Valley Temple, an excellent place to learn about ancient embalming techniques.

After leaving the Pyramids of Giza, enjoy a delicious lunch at a charming restaurant overlooking the pyramids, before heading to the ruins of [Saqqara](#). Here, you'll have the opportunity to visit the Step Pyramid of King Djoser and his funerary complex, an amazing experience you won't want to miss. Next, visit the Saqqara columned corridor to see the oldest limestone structure ever built and learn about King Djoser and his devoted architect Imhotep from the open court. Finally, from a distance, view the Dahshour Pyramids.

After visiting the Memphis Open-Air Museum to see the Alabaster Sphinx, King Ramses' Colossi, and the Memphis Holy Triad, our driver and tour guide will take you back to your Cairo hotel around 5:00 pm, so you can relax and enjoy your time in Egypt. This is just the beginning of your adventure in Egypt, and we can't wait to show you more of this fascinating country.

Day 3- Fayoum Day Tour

On your third day in Egypt, you'll have breakfast at the earliest possible time before our representative meets you at your hotel to transfer you to El Fayoum. Driving from the southwest side of Giza, you'll be close to the Giza Pyramids.

When you reach El Fayoum, take a moment to admire the 4,000-year-old red granite Pharaoh Senusert in front of the city gates. Previously, you could see the wonderful water wheels that were once used to irrigate the area, continuing along the road until you reach the center of Faiyum.

When you visit [Lake Qaroun](#), you'll enjoy the stunning view of the birds and fishing boats, and you can take a break at the Uobege Hotel, which was once home to the Royal Palace of the Family of King Farouk. It's the perfect time for a lakeside lunch.

The day trip from Cairo to Fayoum is full of excitement. After leaving the Fayoum Oasis, you'll continue your trek to Wadi El Rayan. This is the only waterfall in Egypt, so it's well worth a visit. Afterwards, you can enjoy an hour of sandboarding while admiring Wadi El Rayan's renowned beautiful lakes.

Finally, take a shuttle back to Cairo and end the day at your hotel. This is a fantastic opportunity to experience Egypt's natural beauty and history outside of the city. Enjoy the stunning landscapes, delicious cuisine, and fascinating landmarks on this unforgettable day trip.

Day 4- Departure day

Meet your personal driver and the airport organiser after breakfast. At Cairo International Airport's VIP Terminal, they will transport you to where you will board your departing flight. Your journey to Egypt will leave you with some wonderful memories
