Day 1 Itinerary: Siwa Oasis from Cairo

At 06:00 a.m., our licensed tour guide will pick you up from your hotel in Cairo or Giza to enjoy one of the best Egypt Desert Safari Tours to the most picturesque spots in Egypt's Western Desert, [Siwa Oasis](#). The El-Alamein Road will take you from Cairo to the Siwa Oasis. Our first destination will be in the El Alamein neighborhood, where we will visit the World War II Museum and walk through the World War II cemetery on the outskirts of Alexandria. The Allies, led by Field Marshal Montgomery of the United Kingdom, halted German-Italian troops on their route to the Nile in 1942. With 11,000 killed and 60,000 injured, the Allies achieved a massive triumph.

7,000 white headstones, visible through the arches and beyond the gardens, honor the Australian, New Zealand, and British men who fought and died at El Alamein. You will see the battleground and the World War Museum. After concluding your El Alamein tour, you will drive to Marsa Matrouh for a fantastic seafood lunch before continuing to the oasis of Siwa, which is roughly a 4-hour journey from Marsa Matrouh.

When you get to Siwa, you will have dinner and spend the night in a wonderful eco-lodge.

Day 2 Itinerary: Siwa Sightseeing & Safari Tour

After breakfast and check-out, you will begin your Siwa Oasis trip from Cairo and be followed by your tour guide to the Mountain of the Dead "Gabal al Maouta," which is located 1 km outside Siwa and is filled with ancient tombs of Siwa Oasis monarchs from the 26th dynasty. The mountain has a limestone floor, and the graves are shaped like a beehive. Among the prominent tombs worth visiting are Niperpathot, Si-Amon, Mesu Isis, and the Crocodile Tomb.

You will next be taken on a tour of the amazing sites in and around Siwa, beginning with the Oracle Temple or [the Temple of Alexander the Great](#). It was constructed on the Aghurmi plateau.

Its remains currently house magnificent drawings and carvings that trace the temple's history, as well as a portrayal of the divinity Amun Ra. The temple is notable because it is supposed that Alexander the Great resided there. Then, learn about Siwan's particular culture at the Siwa House Museum before lunch at Abdo restaurant on the Oasis' famed square overlooking Shali.

Following that, we'll travel to Cleopatra Spring, also known as "Ein Guba," a natural stone pool fed by a hot spring where the Queen of Egypt is supposed to have swum during her visit to Siwa. After a hot day of sightseeing, you may now take a refreshing plunge while simultaneously enjoying a cup of coffee or tea.

Then you'll embark on your Egypt Desert Safari journey, discovering the Great Sand Sea. Jeep 4 4 (Jeep Land Cruiser safari) to Bir Wahid's hot and cold springs. While enjoying Bedouin tea, take in the stunning desert sunset. Siwa's vast sand sea provides the best dune surfing in the world. After that, you'll be driven to your accommodation for the night.

Overnight in Siwa.

Day 3 Itinerary: Highlight of Siwa Slat Lakes - Back to Cairo.

This will be your final stop in Siwa after breakfast. You will be taken by our guide to Shali, Siwa's "ancient city" founded in the 13th century. It was constructed on a hill behind a protective wall that was originally breached by a single gate to serve as a stronghold in the heart of Siwa, guarding the city against tribe raids.

Then you'll arrive at the Siwa Salt Lakes, which are a hidden gem. You float because the saltwater lifts you above the surface. You don't have to be a great swimmer to take part. Lakes provide their own set of health benefits and recreational opportunities. Salt pools can help with sinus, skin, and eye problems.

Then our Cairo Top Tours guide will drive you back to your Cairo hotel, which will take approximately 8-9 hours including a break. We hope you enjoyed your Cairo Siwa Oasis trip.
