You will be able to stroll around the base of King Cheops' Great Pyramid and even ascend a short set of steps. Standing above the pyramids, our tour guide will help you take pictures. Following your return to your vehicle, your personal driver will take you on an amazing tour of the Great Sphinx, Mycerinus, and Chephren pyramids. The Valley Temple of King Chephren, which is situated across from the magnificent Sphinx statue, will be your final stop.

Riding a camel or taking a horseback trip to view these amazing sites is an optional activity.

Following your exploration of Giza, you will go to Sakkara, one of the most historically significant ancient Egyptian archaeological sites. When you get there, you may see the King Zoser step pyramid complex and learn about the development of the ancient Egyptian royal tomb. You will have the chance to tour 11 royal pyramids at Saqqara and go on an expedition to see King Teti's pyramid inside. We will take you inside one of the aristocrats' tombs before we depart from Saqqara. Here, the murals and inscriptions on the walls and passageways of these 4,000-year-old tombs offer you a window into the everyday activities of the ancient Egyptians.

You can carry on your tour of Memphis after treating yourself to a delectable lunch at a local restaurant. When you get to the historic city, you may explore the outdoor museum and see some amazing sculptures, like the enormous monument of Ramses II and the alabaster sphinx, which is the second-largest Sphinx statue in the world after the one at Giza.

After a while, you'll be taken back to your accommodation, which is close to Cairo's pyramids.

Lunch and breakfast are served.
