City Tour by Horse Carriage is one of the most interesting and calmest ways of exploring the part. In Egypt, horse-drawn vehicles are common and a part of everyday life.

This tour features a narrative and a leisurely atmosphere where one gets to know Luxor, Egypt. While riding in a horse-drawn carriage around the city, one can appreciate the diversity and scale of sights, from crowded marketplaces to quiet agricultural areas. Such a tour will bring you to rich and poor areas, letting you see how life is executed in those communities. You will also get to enjoy the local shops and the breathtaking temples located on the eastern side of the Nile.

Luxor City Trip by Horse Carriage

Our tour guide will meet you at your hotel in Luxor to kick off your Luxor City Tour by horse carriage. Discover the ancient capital of Thebes in an adventurous manner as you ride through the old streets of Luxor on a horse and carriage.

Your driver will talk about how the middle class is distributed in the city and also give a tour of the older parts of Luxor. A crowded public market with its food and vegetable stalls will be crossed, Sphinx Avenue, a road linking the temples of Karnak and Luxor, will be ridden on, and Corniche El Nile Street, the Old Winter Palace of Luxor, and the Temple of Luxor will be viewed.

In between the horse ride, you'll also get to visit the local coffee shop, where you will be offered a drink free of charge and get to see the real life inside Egypt.

Afterward, your horse carriage will return you to your hotel in Luxor.
