Day 2: Saqqara Necropolis, Memphis City, Giza Pyramids

Start your day with a hearty buffet breakfast at the hotel, then meet your certified tour guide to kick off your 5 days in Cairo with a visit to the Saqqara Necropolis. You'll be taken to this ancient burial site to explore the Step Pyramid complex of King Djoser, the tombs of the nobles, and the Pyramid of King Teti. Your guide will simplify Egyptian history and explain the basics of ancient Egyptian religion. King Djoser, a powerful ruler of the 3rd dynasty, had his Step Pyramid designed by Imhotep, the renowned architect and philosopher who was even worshipped posthumously. You'll also enter the tomb of Kagemni, son-in-law of King Teti of the 6th dynasty.

Next, you'll be transferred to the ancient city of Memphis to see artifacts from various periods of the pharaonic era, including the alabaster sphinx of Memphis and the colossal statue of King Ramses II.

Proceed to the Pyramids of Giza for a remarkable tour. Discover the three pyramids built by the 4th dynasty kings—Cheops, Chephren, and Mycerinus. Admire the grandeur of the Great Pyramid of Khufu, which was the tallest structure in the world for 4,500 years until the construction of Lincoln Cathedral in 1311 A.D.

View the pyramids from the high plateau and enjoy an optional one-hour camel ride around the Giza Pyramids, taking in stunning photos of the landscape. Continue your tour to see the Great Sphinx of Chephren, the mythical man-headed lion, and visit the Valley Temple (mummification temple) within Chephren's funeral complex, where your Egyptologist will explain the mummification process.

Enjoy a delicious lunch at a quality restaurant with views of the pyramids and the Sphinx.

After your tours in Cairo, you'll be transferred back to the hotel for an overnight stay.

Day 3: Egyptian Museum, Coptic Cairo Tour, Khan El Khalili

Enjoy breakfast at the hotel, then head to the Egyptian Museum, home to the world's largest collection of Egyptian artifacts and sculptures, including the intact treasures of the golden pharaoh Tutankhamun discovered in Luxor. Next, visit historic churches such as the Hanging Church of the Holy Virgin Mary, which is suspended above two towers of the ancient Roman fortress of Babylon from the 1st century, and the Church of St. Sergius, where you can see the crypt where the Holy Family is believed to have stayed during their time in Egypt. Also, visit the Ben Ezra Synagogue in Old Cairo, which was originally a Christian

church.

Enjoy a tasty lunch before being transferred to the famous Khan El-Khalili market for some shopping. While there, you can sip on mint tea or fresh mango juice at a local café and watch the lively street scenes in Al Hussein. Your tour guide will also show you notable early Islamic buildings on Al-Moez Street.

After your excursions in Cairo, you'll be transferred back to the hotel.

Day 4: (Optional) Tour to Alexandria from Cairo

After breakfast at the hotel, you'll have the day free. We suggest using this time to explore Alexandria, a stunning city on the Mediterranean coast that was Egypt's capital for about a thousand years. You can visit landmarks such as the Pompey Pillar, the Catacombs of Kom El Shoqafa, the Citadel of Qaitbay, and the Bibliotheca Alexandrina. Don't miss out on a delicious seafood lunch at a chic restaurant with views of the sea.

Day 5: Final Departure

After breakfast at the hotel, you'll be transferred to the airport. Your tour leader will assist with the boarding procedures for your flight home.

We hope you enjoyed your 5-day budget tour in Cairo.
