Day 1: Luxor East Bank

Our representative will greet you at your hotel and assist you with your transfer to Cairo airport for your flight to Luxor. Upon arrival, our tour guide will meet you to board the MS Crocodile Nile Cruise. You will then visit the Luxor Temple, constructed by two pharaohs: the inner section was built by Amenhotep III, while the outer part was completed by King Ramses II.

Next, you will explore the Karnak Temple, the largest religious structure dedicated to the Theban triad.

Optional: Attend the sound and light show at Karnak Temple.

Meals: Breakfast, lunch, dinner.

Day 2: Luxor West Bank

After enjoying breakfast with a view of the Nile, you'll head to one of Luxor's most renowned sites—the Valley of the Kings, a gateway to uncovering the knowledge of an ancient civilization buried for thousands of years.

Next, you'll visit the Temple of Hatshepsut at El-Deir El-Bahari on Luxor's west bank, featuring three terraces that gradually ascend toward a towering cliff.

After exploring the Valley of the Kings and Hatshepsut's Temple, you'll marvel at the Colossi of Memnon, the giant statues built by King Amenhotep III.

Optional: Hot air balloon ride.

Meals: Breakfast, lunch, dinner.

Day 3: Kom Ombo and Edfu temples

In the morning, after breakfast, you'll visit the Kom Ombo Temple, a unique double temple located on the eastern bank of the Nile in Upper Egypt.

Next, you'll explore the Edfu Temple, widely regarded as the most impressive of all the Nile-side temples on the journey between Luxor and Aswan.

In the evening, enjoy a lively party aboard the MS Crocodile Nile Cruise.

Meals: Breakfast, lunch, dinner.

Day 4: Aswan attractions

After enjoying your morning tea with breakfast aboard the MS Crocodile Nile Cruise, you'll set off to explore some of Aswan's most famous landmarks, starting with the **High Dam**, which supplies irrigation water and electricity to all of Egypt.

Next, you'll visit the Philae Temple, dedicated to Isis, the mother of Horus. It was one of the last active temples of ancient Egypt.

You'll also discover the Unfinished Obelisk, still lying in its original granite quarry in Aswan. Standing 42 meters tall, it was likely abandoned after cracks appeared in the stone.

Optional: Visit Abu Simbel Temple in the morning.

Meals: Breakfast, lunch, dinner.
