Cairo Half-Day Tour to Dahshur Pyramids

Cairo Top Tours offers Cairo Day Tours starting with a tour leader meeting you in Cairo or Giza. They then transfer you to the Dahshur Necropolis, a region about ten kilometers south of Saqqara. The tour takes you along an agricultural road, passing through palm plantations and green lands. The Snefru pyramids, built by King Snefru, the father of Cheops, are located 35 km from Cairo's heart. King Snefru ruled Egypt for over 24 years and sent a navy fleet of forty ships to Lebanon to bring cedarwood.

The Bent Pyramid, known for its campaign to restore security and stability to Egypt's southern borders, is the only remaining wonder of the seven ancient wonders at Giza Necropolis. King Snefru was buried in one of his three pyramids, the Red Pyramid, the Meidum Step Pyramid, and the Bent Pyramid at Dahshur. The tour concludes with a transfer back to your hotel after the tour.
